

# Live in Southern Saskatchewan? We'll help you uncap your potential!

Come join the world's largest bottler of nonalcoholic beverages, and we'll help you open up a refreshing new career with excellent potential!

## Cooler Service Technician

Reporting to Coca-Cola's Regina location and serving the Southern Saskatchewan area, the selected candidate must possess a high school diploma/GED; proven customer service skills; demonstrated mechanical, electrical and technical aptitude; and basic computer skills. A valid driver's license, along with a clear driver's abstract; the proven ability to work within a team environment as well as independently; and the ability to perform physical labour (bending, kneeling, heavy lifting up to 50+ lbs) are required. Must provide own hand tools and successfully complete an aptitude test. Refrigeration/HVAC trade or vocational certification and diagnostic/troubleshooting experience are preferred.

Coca-Cola Enterprises offers the competitive compensation you would expect of a global leader.

Uncap your potential!
